

**Washington Native Plant Society - South Sound Chapter
Native Plant Hike**

Date: Saturday, January 19, 2019

Title/Location: Adriana Hess Wetland Park, University Place

Hike Leader: Cyndy Dillon Contact Information cpdillongh@comcast.net 253 225-9284

Departure Time: 11am Estimated Return Time: 12:30pm

Departure location: parking lot Number of people: unlimited

Hike Description: The Adriana Hess Wetland is a small park with both wetland and drier habitat native plants. Come practice winter twig identification in preparation for the Thurston Salvage winter twig identification class the following Sunday, if you're signed up. Or check out the lovely mosses and lichens during their peak season. Or observe the variety of native plants, while admiring the very friendly native birds.

Any special requirements: Wear good hiking shoes. Water and cookies will be provided at end of hike

Directions: From Route 16 take west exit for 19th St and go 1 mile. Turn left onto 70th Ave W for .5 mile then turn right on 27th St W. Go .2 mile and turn left onto Morrison Rd W and continue another .2 mile to the center on the left.
